RECEIVED  
6 OCT 2021

30<sup>th</sup> September 2021

Dear Darren,

Apologies we were not able present your JOSCAR Accredited Certificate to you in person at DSEI 2021. Please find enclosed a copy of your JOSCAR Accreditation Certificate, two JOSCAR Accreditation Stickers and a copy of the Terms and Conditions of Use.

If you have any questions, or if we can be of any further assistance, please feel free to contact Hellios – 01865 959 100 or [enquiries@hellios.com](mailto:enquiries@hellios.com)

Kind Regards

Lydia Rankov  
Operations Administrator

## Use of JOSCAR Logo and JOSCAR Registered Certificate.

### Terms of use.

#### Promoting Your Status in the JOSCAR community

The JOSCAR accreditation mark is valued by some of the largest purchasers in the defence community and indicates that you have gone through the process and have demonstrated your commitment and credentials to the industry. To ensure that the use of the logo is reserved for companies who have achieved the necessary standard we require that the JOSCAR logo is only used in accordance with the following conditions. Once properly accredited you may use your logo in a wide variety of places including in your marketing literature, in advertising and on websites, at exhibitions and social media as well as on business premises and equipment such as commercial vehicles.

#### Use of JOSCAR Logo

- The JOSCAR logo may be used if your company has completed Stage 1 and are not required to complete Stage 2 and status to published.
- The JOSCAR logo may be used if you have completed both Stage 1 and Stage 2 where required, with no further clarification needed and registration status is published.
- You may only use the JOSCAR logo in connection with the organisation named on your JOSCAR profile.
- You must not use the logo in such a way that it implies that a particular service or product is certified or has been tested by JOSCAR nor should the logo be used on product certificates.
- The logo's colour way should not be altered in any way.
- You must not create logos copying or emulating the official logo.
- The logo should be distinguished from surrounding text and/or images.
- The logo's minimum width is 18mm. The logo must not be displayed smaller than 18mm unless approval has been granted. Contact [enquiries@hellios.com](mailto:enquiries@hellios.com) asking for approval.
- The logo must be displayed at a discreet size, subservient to the supplier's main branding.
- The JOSCAR logo can be obtained by contacting [enquiries@hellios.com](mailto:enquiries@hellios.com).
- The JOSCAR logo must always be displayed in the Hellios company colours
  - Contact [enquiries@hellios.com](mailto:enquiries@hellios.com) for further details if required.
- Where Hellios colours are not available, the mark can be printed in monotone.
  - Contact [enquiries@hellios.com](mailto:enquiries@hellios.com) for further details if required.
- Receipt of these guidelines gives consent to use the JOSCAR logo.
- It can only be used once registration to the JOSCAR scheme is published.

This is to certify that the holder of this certificate:

## Responsive Engineering Limited

---

Has satisfied all the requirements to become fully registered on the JOSCAR supplier accreditation register, as set out by participating buying organisations.

A handwritten signature in pink ink, appearing to read 'Colin Maund'.
